KATIE DOUGHERTY
HEAD COACH
4TH YEAR

Katie Dougherty enters her fourth season as head coach of the Iowa women's tennis program. Dougherty is a eight-year coaching veteran in the Big Ten Conference, having spent time at Penn State and Wisconsin prior to arriving in Iowa City. Dougherty, a native of Ellicott City, Md., was named the University of Iowa's seventh women's head coach November 19, 2009.

Before Dougherty arrived on campus, the women's tennis program had advanced to the NCAA Division I doubles championship just two times. That appearance total doubled in 2011 when the Hawkeyes sent a doubles tandem to the NCAA tournament for the second time in as many seasons under Dougherty's watch.

In 2010, her first season at Iowa, the Hawkeyes reached No. 18 in the ITA national rankings, the highest ranking in program history, and earned the No. 4 seed in the Big Ten Championships. Dougherty guided Iowa to the NCAA Championships, ending a four-year postseason drought, and the team's 17-7 overall record made Dougherty the winningest first-year coach in program history. Under Dougherty's leadership, Iowa's No. 1 doubles team of Merel Beelen and Sonja Molnar earned the No. 14 seed in the doubles tournament at the NCAA Championships. The duo became Iowa's first doubles team to advance to the national championships since 2000.

Prior to joining the Hawkeyes, Dougherty served as assistant coach and recruiting coordinator at Wisconsin, where she managed the day-to-day operations of the women's tennis program and served as a co-director of Badger summer tennis camps. Her 2008 and 2009 recruiting classes received national recognition from Tennisrecruiting.net.

Dougherty served as an assistant coach at Penn State (2004-07) and American University (2003-04) before joining the Badgers. She helped guide American to the 2004 Patriot League title and automatic berth in the NCAA tournament. Dougherty has also gained experience beyond collegiate tennis, serving as a junior development coach at both the Four Star Tennis Academy in Merrifield, Va., and the Western Racquet Club in Elm Grove, Wis. At the Four Star Academy, Dougherty instructed a number of nationally-ranked juniors.

Before beginning her coaching career at the Western Racquet Club in 2003, Dougherty competed collegiately at Wisconsin (1999-2002). A four-year letterwinner for the Badgers, Dougherty finished her career with 45 singles victories. She was also a nationally-ranked doubles player, claiming 45 career doubles wins.

Since 2008, Dougherty has been a Professional Tennis Registry Certified Professional. She was a nationally-ranked junior player in singles and doubles and was the 1997 Baltimore Sun Athlete of the Year. She graduated from Wisconsin in 2002 with a degree in English.

COURTNEY NAGLE
INTERIM ASSISTANT COACH
1ST YEAR

Courtney Nagle is in her first year as a member of the Iowa women's tennis staff. She joined the Hawkeyes following one season as an assistant coach at the University of Colorado.

Prior to joining the Buffalo staff, she competed across the globe as a world-ranked tennis professional on the World Tennis Association (WTA) Tour where she earned World Team Tennis (WTT) Rookie of the Year honors with the Philadelphia Freedoms. She won 15 career professional doubles titles and reached a doubles ranking of No. 97.

Nagle is a 2005 graduate of the University of Oregon earning a bachelor of arts degree in human physiology with a minor in Spanish. While at Eugene and as a freshman walk-on, Nagle would later earn a full athletic scholarship where she became UO's first women's doubles All-American in school history. Nagle was also awarded the Oregon Athletics Pride recipient and was named the Intercollegiate Tennis Association (ITA) National Arthur Ashe Leadership and Sportsmanship Award winner.

She was a four-year letterwinner and member of two Oregon NCAA Tournament teams in 2002 and 2004. In 2003, Nagle earned a NCAA Tournament singles berth, in addition to advancing to the NCAA Tournament doubles quarterfinals, also in 2003. She is a two-time Oregon Most Improved Player Award winner and helped Oregon to their highest ITA national ranking (No. 22) in school history.

After her collegiate career, Nagle remained in Eugene becoming the Assistant Director of the Nike Junior Tennis Camps in 2004, and then joined the Ducks coaching staff in 2005 as a volunteer assistant coach. She moved on to Princeton University from 2007-2009 in the same capacity, returning to Eugene last season to become part of the Ducks coaching staff in a volunteer role.

Nagle is affiliated with United States Professional Tennis Association (USTA) Professional Level I Certification and the Professional Tennis Registry Coaching Certification.

Nagle is a 2000 Monte Vista High School (Danville, Calif.) graduate where she lettered in tennis and track and field.

Born in Denver, Colo. on Sept. 29, 1982, Nagle is the youngest of four siblings. She enjoys participating in outdoor sports including golf, ultimate Frisbee, snowboarding, and hiking in her free time.

Iowa City is a media saturated environment. And with no professional teams in the area, the Hawkeyes garner extensive coverage from newspapers, television and websites.

TELEVISION

With the launch of the Big Ten Network, the Big Ten is the only conference in the country that has its own national network devoted to athletics programming. Hawkeye field hockey fans can expect to see numerous games each year on the network in stunning hi-definition. Fans can also watch additional games online at BTN.com.

HAWKEYESPORTS.COM

Media and fans can also obtain a wealth of up-to-date information about the Hawkeyes on the official web site of the University of Iowa -- hawkeyesports.com. Live stats (gametracker), box scores, play-by-play, photo galleries, coach and bio information, video, podcasts and more, including the all new interactive magazine (UI-Mag), can be found on the web site. Additional information, video, photos and more can be found on the team's Facebook and Twitter accounts.

IOWA

The Barta family includes Connie, Madison, Gary and Luke.

Now in his seventh year as director of athletics at the University of Iowa and his 26th year in athletic administration, Gary Barta manages an athletics program that continues to gain momentum in two key areas -- on the playing field and in the classroom -- while enhancing the infrastructure that will serve as the foundation for future successes.

Academically, the UI's federal graduation rate of 74 percent (for student-athletes who enrolled in 2004-05) ties the best ever posted by UI athletics. That mark was a 13-point increase over the previous year and was nine points above the national average; UI student-athletes will establish another record when the latest figures are released in October. Last fall, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the fourth straight year.

In figures released last fall, Iowa's score of 86 percent in the NCAA's "Graduation Success Rate" or GSR, also matched a school record. Five different women's teams at the UI posted perfect 100 GSR scores. Iowa's GSR in football (83), men's (73) and women's (100) basketball all ranked above the national average for their respective sports.

Athletically, Hawkeye teams enjoyed another outstanding year in 2011-12. A significant number of Iowa's 24 programs reached postseason play. The Iowa football team reached bowl eligibility for the 11th straight season and competing in a bowl game for the fourth straight year and 10th time in the last 11 seasons. The women's basketball program participated in the NCAA Tournament for a fifth straight season and men's basketball returned to postseason competition under second-year coach Fran McCaffery, recording an 84-75 win over Dayton in front of 13,190 re-energized fans in Carver-Hawkeye Arena.

The Hawkeye wrestling program, led by national champion Matt McDonough, made another run at a national title before placing third. The men's golf team placed 22nd nationally in its third appearance in the NCAA Championships in the last four seasons. Additionally, the UI men's track and field placed 23rd in the nation and the UI's men's swimming and diving program placed 26th at its national championship.

Iowa's field hockey team advanced to the NCAA Tournament and the Hawkeye softball team placed second in the Big Ten. Between the men's and women's track and field teams, 34 student-athletes competed at the NCAA Championships and 14 members of the UI men's and women's swimming and diving teams qualified for the Olympic Trials.

And, while the UI athletics department continues to earn high marks in integrity, academic excellence, and athletic performances. Barta also continues to oversee critical improvements and additions to the facilities used by the UI's talented student-athletes while maintaining a balanced and ever-growing operations budget that continues to be self-sustaining.

In addition to the competitive success the Hawkeyes recorded in 2011-12, the UI once again experienced tremendous success at the turnstiles. Iowa has sold every seat in historic Kinnick Stadium in each of the past two seasons, ranking 21st in national attendance both years. The UI will enter the 2012 home football season with all seven home games sold out once again and boasts waiting lists for not only season tickets, but also the premium seating options available inside the Paul W. Brechler Press Box.

Attendance at home games of the UI's men's basketball team has climbed more than 30 percent the last two seasons. Iowa's attendance of 13,190 for a first round NIT game in Carver-Hawkeye Arena ranked as the highest attended game of the 2012 tournament.

The UI wrestling team set another national attendance record by averaging 9,014 fans per home meet in 2011-12, leading the nation in attendance for the sixth straight year. The economic impact of the 2012 U.S. Olympic Wrestling Team Trials, hosted by the UI in Carver-Hawkeye Arena, exceeded $5 million, according to survey results released by the Iowa City/Coralville Area Convention and Visitors Bureau.

Attendance at home games of the UI's women's basketball games also remained strong as the program once again ranked among national leaders in 2011-12. The UI also registered increases in attendance at home volleyball, soccer, field hockey, women's gymnastics, men's gymnastics, softball and baseball events.

Since 2006, the Hawkeyes have invested more than $150 million in new and renovated athletic facilities. Upgrades include the restoration of historic Kinnick Stadium and Carver-Hawkeye Arena, as well as a new state-of-the-art aquatics center, a boathouse facility for the UI rowing program and an indoor and outdoor tennis complex. Another $60 million worth of improvements are underway in the form of the two phase football training center project and an indoor golf performance facility.

In late summer 2011, the UI completed a $47 million revitalization of Carver-Hawkeye Arena. That project included the construction of a practice facility for men's and women's basketball and volleyball, a 10,000-square-foot strength training and cardiovascular center, and an expansion to the Dan Gable Wrestling Complex, in addition to new locker room and support facilities for men's and women's basketball, wrestling and volleyball programs, and office space for the majority of Iowa administrative and coaching staffs.

The Carver project included the installation of a statue of Gable at the facility's main entrance. That project was completed in time for the thousands of fans of the sport of wrestling to enjoy while attending the 2012 USA Wrestling Olympic Team Trials.

Phase I of a two-phase project for the UI football program was completed in August,

The UI Department of Athletics will break ground on Phase I of a two-phase project for the UI football program in late summer 2011. Phase I includes the construction of a new indoor practice facility; Phase II includes construction of all football operations areas including locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support, the project is an important next phase of the master facilities plan for Hawkeye football. It will be constructed adjacent to the Ron and Margaret Kenyon Outdoor Practice Facility and immediately west of Kinnick Stadium.

Barta has also received permission form the State of Iowa Board of Regents to construct a new practice facility for the men's and women's golf programs. The facility will be located on the southern edge of the UI's award-winning Finkbine Golf Course and will begin construction as soon as the funding required is secured from friends and fans of the Iowa Hawkeyes and the UI's golf programs.

Barta's involvement in the UI campus community extends beyond intercollegiate athletics. He is a member of the President's Cabinet comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his first five years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

Barta often suggests to his staff that "Hope is not a strategy," which is why he is currently overseeing a comprehensive review of the strategic plan for the UI Athletics Department and has worked with the UI's leadership on a long-term financial plan.

Another favorite saying of his is, "Vision without resources is irrelevant." Over the course of his career he has been directly involved in raising hundreds of millions of dollars in support of intercollegiate athletics. This has remained a primary focus during his tenure at Iowa, where private support for the Hawkeyes continues to flourish despite a challenging economy.

In recent years, the department has received a long list of commitments to assist in capital projects and scholarship support, including gifts of $5 million each from long-time friends of the UI – Dale and Marilyn Howard, Bruce Rastetter and Richard O. Jacobson.

Under Barta's leadership – and thanks to a talented athletics development staff – the UI has seen year-over-year improvement in annual giving in spite of the difficult economic environment and has generated more than $20 million of philanthropic and corporate sponsorship support for the Carver-Hawkeye Arena project.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program $11 million in private support and $11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff and coordinating the schedule for the Huskies men's basketball program.
The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a bachelor of science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (13) and a daughter, Madison (11). He was born Sept. 4, 1963, in Minneapolis.

IOWA CONTINUES TO BUILD FOR SUCCESS

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2011-12

Academically, the UI's federal graduation rate of 74 percent (for student-athletes who enrolled in 2004-05) ties the best ever posted by UI athletics. That mark was a 13-point increase over the previous year and was nine points above the national average; UI student-athletes will establish another record when the latest figures are released in October. Last fall, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the fourth straight year.

The Iowa football team reached bowl eligibility for the 11th straight season and competed in a bowl game for the fourth straight year and 10th time in the last 11 seasons. The women's basketball program participated in the NCAA Tournament for a fifth straight season and men's basketball returned to postseason competition under second-year coach Fran McCaffery.

Phase I of a two-phase project for the UI football program was completed in August, 2012. Phase I includes the new indoor practice facility for Coach Kirk Ferentz' program that has competed on 10 bowl games over the past 11 seasons. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football.

IOWA WRESTLING

The Hawkeye wrestling team -- the national attendance leader in each of the last six seasons -- continued its dominance on the mat, finishing third at the NCAA Championships. Six Hawkeyes earned All-America accolades in 2012, including two-time national champion Matt McDonough. Iowa has claimed 23 national championships and 34 Big Ten titles in its 102-year history.

IOWA FOOTBALL

Iowa football continued its stellar play, finishing in the upper division of the Big Ten for the 10th time in the last 11 years. The Hawkeyes reached bowl eligibility for the 11th straight season and competed in the postseason for the fourth straight year.

IOWA WOMEN'S BASKETBALL

The women's basketball team won its final eight games of the regular season to finish tied for second in the Big Ten and earn an at-large bid into the NCAA Tournament. Head Coach Lisa Bluder has now led Iowa to five-straight NCAA Tournament appearances.

IOWA MEN'S TRACK AND FIELD

The men's track and field team recorded a pair of top 25 finishes at the NCAA Indoor and Outdoor Championships. The Hawkeyes crowned four Big Ten champions and nine All-Americans, including Erik Sowinski, who placed second in the 800 meters at the NCAA Championships.

IOWA MEN'G GOLF

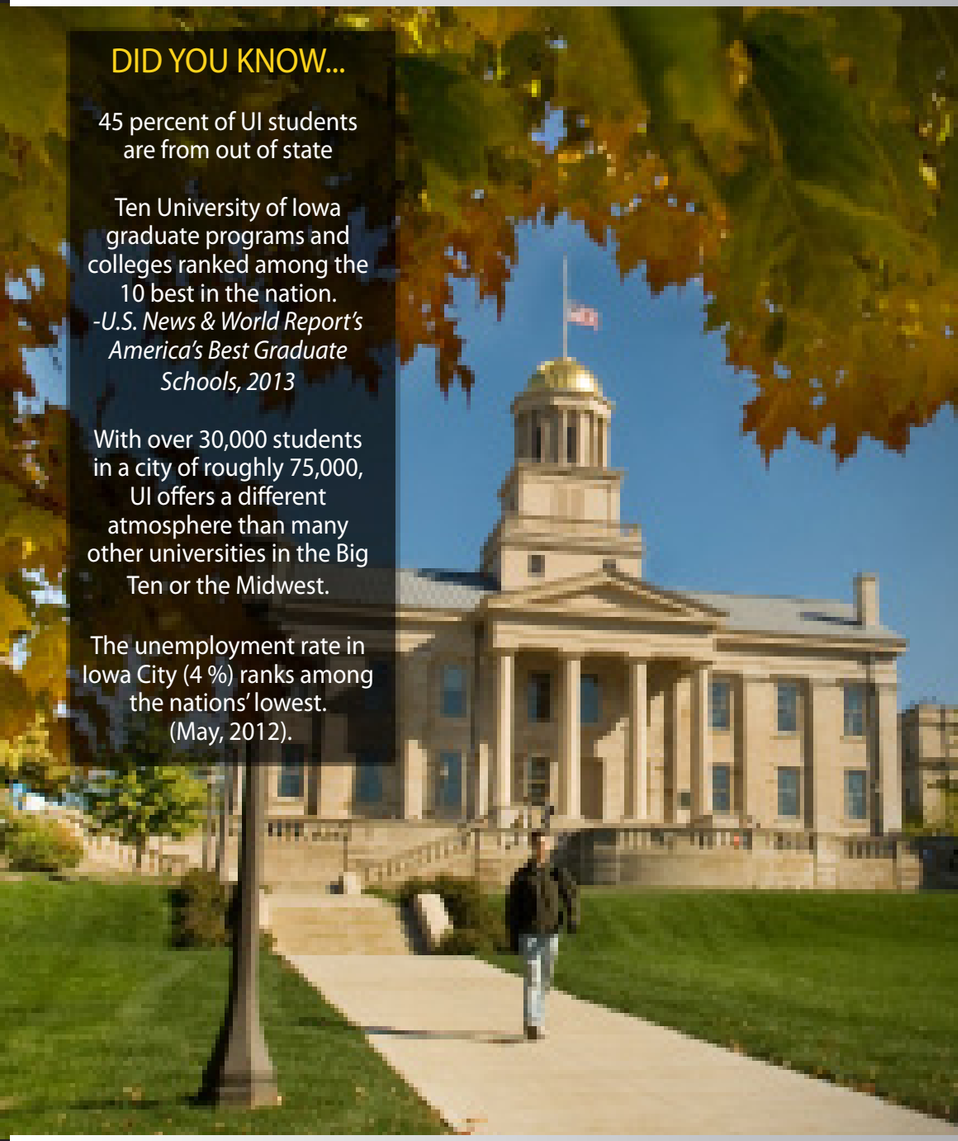
Head coach Mark Hankins led the Hawkeyes to their third NCAA Championships appearance in the last four years. Iowa collected another top-25 national finish and multiple individuals earned honors throughout the season.

IOWA MEN'S BASKETBALL

Second-year head coach Fran McCaffery led the Hawkeyes to 18 wins and an NIT bid a year ago. Iowa improved by seven wins from 2011 to 2012, as McCaffery continued to demonstrate his ability to rebuild programs and reenergize the fan base -- Iowa's attendance increased for the second straight year and ranked No. 31 nationally.

IOWA SWIMMING AND DIVING

The Iowa men's swimming and diving team posted its best finish in 17 years, placing fifth in the Big Ten and 26th at the NCAA Championships. The Hawkeye won a pair of Big Ten relay titles and five student-athletes went on to garner honorable mention All-America accolades. On the women's team, freshman Becky Stoughton became the first UI swimmer to earn Big Ten Freshman of the Year honors, and she was the first Hawkeye women's swimmer to earn All-America honors since 2005.



DID YOU KNOW...

45 percent of UI students are from out of state

Ten University of Iowa graduate programs and colleges ranked among the 10 best in the nation. *-U.S. News & World Report's America's Best Graduate Schools, 2013*

With over 30,000 students in a city of roughly 75,000, UI offers a different atmosphere than many other universities in the Big Ten or the Midwest.

The unemployment rate in Iowa City (4 %) ranks among the nations' lowest. (May, 2012).

Building on a rich tradition of excellence and innovation, the University of Iowa is educating more than 30,000 students annually, preparing them for success immediately following graduation, as well as continued achievements throughout their lives.

The University of Iowa offers more than 100 areas of undergraduate and graduate study, including seven professional degree programs, through its 11 colleges: the colleges of Liberal Arts and Sciences, Business, Dentistry, Education, Engineering, Law, Medicine, Nursing, Pharmacy and Public Health, and the Graduate College. The University also provides on-campus and distance learning opportunities through its division of Continuing Education.

Long recognized as one of the nation's leading centers for the arts, creative writing, space physics, hydraulics, basic health and science research, and communication studies, the University of Iowa is also developing new strengths in informatics, nanoscience, simulation technology, and other fields.

The University of Iowa has maintained its tradition as an innovator with its pioneering work in speech pathology, science and medicine. It's also known internationally for being home of one of the nation's largest public university owned hospitals.

Cultural Diversity at the University of Iowa

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American, and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a coordinated university-wide resource for creating and maintaining this campus diversity and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Kansas City, Minneapolis and Milwaukee.

"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit.

There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."

If there is a star in Iowa, Iowa City is it."

A CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference

STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation, based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the college baseball program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

When a student-athlete considers his future, he should consider prospects beyond baseball. He should consider where he wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, he should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields. They also pursued their academic studies as strongly as the Iowa Hawkeyes go after a loose ball or rebound.

THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, The Last of the Mohicans, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.
Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.
